PUBLIC COMMUNICATION RECEIVED BY THE CLERK
OF THE BOARD

Subject: [External] Corporate homebuyers - Blackstone & FPI management
Date: Monday, July 15, 2024 8:24:19 AM

I strongly support Supervisor Lawson Remer's action to explore legal action against Blackstone and FPI management apartments. They are reaping millions of dollars at the cost of exploiting hardworking residents that reside in their buildings. Everyone deserves to live with dignity and safe, healthy home apartments. Please, Board of Supervisors, take the step to pull back the covers and stop corporate greed that puts SD residents at risk of unhealthy living environments, extremely high rents that push residents and their families in danger of homelessness.
