Hi Sheriff!

I received the Board Letter Docketing Form and the 04/26/22 Board Letter which you signed off on; pdfs attached for reference. This is the Sheriff's internal process.

For the external process, I need your approval of the attached Word docs by way of this email. This process is normally done by Electronic Approval but since the system hasn't been working, I was instructed to route for approvals by email.

I inserted the GIF version of your signature onto the Word version board letter which is the process when uploading into Electronic Approval. If you approve, please respond back to this email with *Approve*. Your email approval will be forwarded to Rachael Ikeler at PSG for docketing purposes.

Thank you!

Hello!

Electronic Approval isn't working so I was advised to route the attached for email approval. Please review and reply back to this email with your approval.

You will notice that the board letter does not have Anthony C. Ray's signature. He will be sworn in

on April 5 and will sign after he is sworn in. I'm aware that the documents are due to PSG on April 4 for docketing but I have cleared this situation with Rachael Ikeler.

Thank you!
