County of San Diego  
Board of Supervisors

**Re:** Board Meeting Date of 10/16/2019  
Agenda Item # 10  
Withdrawal of San Diego County from GSA for the Borrego groundwater

Dear Supervisor Desmond;

Our company represents the ownership group farming over 750 acres of citrus in the Borrego Valley. We have been working towards a solution to our groundwater issues for over 6 years. Currently we are in the 12<sup>th</sup> hour of final negotiation between all farming groups, recreation groups and the Borrego Water District, for the formation of an agreement which will comply with SIGMA.

All parties have been dedicated towards this goal of direction and achieving consensus towards our groundwater issues. We believe by years end, we will have the agreement in place.

We respectfully request that this Agenda item #10 be postponed until after January 1, 2020. This will insure that the final negotiations and agreements are in place moving forward.

Respectfully,

Oasis Ranch Management, Inc.

Dennis J. Jensen, President
