RE: Agenda Item #13 - May 6, 2025 – Ending Veteran Homelessness - **SUPPORT**

Dear Members of the Board of Supervisors:

The League of Women Voters of San Diego and the League of Women Voters of North County San Diego commends the Board for this initiative. As the [2024 Point-in-Time Count](#) identified veterans as 16 percent of tally (9 percent unsheltered and 7 percent sheltered), we support this action to utilize limited County funds for landlord outreach to address veterans experiencing homelessness.

The League of Women Voters supports policies that give primary consideration to meeting the basic needs of the general population.

In the face of anticipated cuts to federal funding to social policy areas of government, we urge the Board to further policies and alliances that could offer a similar program to reach all landlords who participate in supportive housing programs.

Thank you for considering our input.

Respectfully submitted,
