My name is Anthony Dang and I'm the Policy and Community Outreach Manager at Climate Action Campaign, as well as a member of the County's Environmental Justice Workgroup. I'm pleased to see the County participate in the EBD Program as electrifying existing homes remains to be a major challenge. This program will prioritize communities of concern as identified both by the state and the County's Environmental Justice Work Group. Not only will this program reduce ghg emissions while centering equity, it will bring clean air co-benefits to our Communities of Concern in unincorporated San Diego.
