Page 3 of the Board Letter says that SD-LECC is staffed by 83 people and the Sheriff Department wants to expand an existing lease by 7,499 sqft to accommodate them and their equipment. That's a bit over 270 square feet per person.

The number of gangbangers from Mexico arrested recently shows me that we do need Federal law enforcement presence in the area.

As for the space needed, I wish we had a bit more detail. Assuming 1/3 of the people are there at one time and each person needs a 16 sqft desk, plus 20 sqft to maneuver, that is 1,080 sqft for the people, 4 restrooms at 240 sqft plus 48 sqft. To maneuver and a nice office at 144 sqft., plus 368 sqft for the walls. I would estimate that leaves 1568 sqft for the equipment. Probably a tight fit.

So we should probably keep looking for a larger place.
