Subject: [External] Butterfield Trails Ranch as a Park in Valley Center
Date: Tuesday, June 6, 2023 1:17:01 PM

Please vote to acquire Butterfield Ranch. It is a beautiful park like property in the heart of Valley Center. Our town is growing and this property is ideal. Kindly vote to put it in the new county budget. Existing parks have no children's playground and do not measure up to county standards.

Thank you,
Wayne Hilbig

Subject: [External] Support for Buying Butterfield Ranch as a Park in Valley Center
Date: Tuesday, June 6, 2023 3:56:57 PM

The County Parks and Supervisor Desmond want to buy Butterfield. I ask you to vote for it in the new budget. It would make a World Class Park right in the heart of Valley Center. Everyone in Valley Center, who has seen it, was amazed at its beauty and location. I am told the price is 40% BELOW appraisal because the owners want to preserve it as a park! It truly is a gem.

Thank you,
Susan Hilbig
