Budget is only due on June 24. Waiving the deadline for submissions to the day before the first weekend of summer vacation for many people is ridiculous in itself. But this means that the public needs to rush to weigh in on this and then let the matter sit for two weeks.

Sounds like someone does not really want us to have time to analyze the issue(s) thoroughly.

I suggest that this matter be heard on either June 11, 12, or 17th at 5PM and the budget hearings end be extended if needed.
