Majority Rule Governs, the Will of the People~

Pls CANCEL your SOCIALLY EQUITABLE CANNABIS Moral crusade that tramples the rights of +500,000 residents in San Diego's unincorporated areas. This program has been widely rejected by the MAJORITY. Will this board ever listen and stop your destructive social and unwanted policies? Let's help the "victims" of the "War on Drugs" in alnother ways, there are many ways that do not included costly government programs or now legal cannabis.

P.S. Yes on Board term limits remaining at max 2 terms! Not 3!

Planned Parenthood has aborted 7.1 million human babies since 2000. With over 400,000 abortions in 2024. This is demonic, despicable, and evidence of the depravity of many individuals in American society. Including the women on this board. Everyone knows life begins at conception - otherwise why be concerned with date of last period, date of conception, seeing a physician to confirm due date. This confirms to every mother the pregnancy with their baby and then they make the decision of life or death for their baby. Abortion is murder. Not, reproductive health care. The goal of abortion is to eliminate the baby.
