WE NEED PEOPLE THAT ACTUALLY KNOW ABOUT THE PERMANENT ROAD DIVISIONS, LOWER ADMIN COSTS, WORKERS THAT ACTUALLY DO MAINTENANCE ON THESE ROADS, AND WE NEED FULL TRANSPARENCY FOR ALL EXPENDITURES. AND WE NEED STAFF THAT ACTUALLY LISTENS TO OUR REQUESTS. STOP CHARGING US FOR STUDY REPORTS AND NOT DOING THE RECOMMENDED REPAIRS.

According to the chart on page 135, you want to spend \$9 mil on Permanent Road Divisions this FY but only \$2 mil next FY. You want to spend \$27 mil on flood control this FY but only \$14 mil next FY. \$22 mil on the ISF Equipment this FY but only \$15 mil next FY.

Feast or famine. Nature doesn't work this way. We are expecting a lot of rain this fall and winter, so it would be prudent to have more money for eroded roads or flooding.
