ARTICLE II INITIATIVE, REFERENDUM, AND RECALL

Section 200: Initiative, Referendum, and Recall. The people of the County may exercise the initiative, referendum, and recall provisions of General Law.

ARTICLE III COUNTY POWERS

Section 300: County Powers. As a political subdivision of the State, the County has all the powers specifically stated and necessarily implied in General Law and this Charter, including the power to assess, levy, and collect taxes.

Section 301: County Authority. The County may exercise its powers only through a five-member Board of Supervisors or through persons authorized by General Law, this Charter, County ordinance, or by resolution, policy or order approved by the Board.

ARTICLE IV BOARD OF SUPERVISORS

Section 400: Number and Apportionment of Districts. For the purpose of electing Supervisors, the County is divided into five legally apportioned districts.

Section 400.1: Redistricting Commission. After each federal decennial census, the supervisorial districts of the County shall be reapportioned in the manner specified by General Law by a redistricting commission established pursuant to the California Elections code. The supervisorial district boundaries shall be drawn in such a way that the area of at least three districts shall include unincorporated territory with two of the districts having geographic area that is predominantly outside of the incorporated cities as population will permit.

Section 400.5: Reserved.

Section 401: Election and Appointment of Supervisors. The voters in each of the County's five districts nominate and elect one Supervisor to serve on the Board for a four-year term, beginning at noon on the first Monday after January first following election, and to hold office until the qualification of a successor.

Section 401.1: Elections of Supervisors occur every two years: Supervisors for the first, second, and third districts are elected at one general election; Supervisors for the fourth and fifth districts are elected at the alternate general election.

Section 401.2: A candidate for election or appointment as Supervisor shall fulfill residency and elector requirements established by General Law.

Section 401.3: When there are more than two candidates that qualify to participate in the primary election for one Elective Office, including write-in candidates, the two candidates who receive the highest number of votes in the primary are the candidates in the general election, and the one who receives the higher number of votes in the general election is elected. In the event there are two or fewer candidates who qualify to participate in the primary election for one Elective Office, including write-in candidates, the office shall be voted upon at the general election and not the primary election. Write-in candidates are permitted to participate in the primary election. However, no write-in candidates are permitted to participate in the general election except in circumstances where there are two or fewer total candidates who qualify to participate in the primary election and one or both qualified candidates is a write-in candidate. When one or two write-in candidates qualify to participate in a primary election with two or fewer total candidates, the names of the write-in candidates who qualified to participate in the primary election shall be printed on the general election ballot in the same manner as non-write-in candidates who qualify for the general election. The County shall establish rules governing qualification and filing dates for write-in candidates including, but not limited to, ensuring the deadline to qualify as a write-in candidate precedes the printing of ballots and does not otherwise interfere with the County's administration of the election.

Section 401.4: In the event a vacancy occurs in the office of supervisor, the remaining members of the Board shall within thirty (30) days of the vacancy fill the vacancy either by appointment for the unexpired term, by appointment until the qualification of a successor elected at a special election or by calling a special election. If the remaining members of the Board fail to fill the vacancy within such thirty (30) day period, the remaining members of the Board shall immediately cause a special election to be held to fill such vacancy. A special election to fill a vacancy in the office of Supervisor shall consist of a special primary election and if necessary, a special general election. A special primary election shall be held in the Supervisorial district in which the vacancy occurred on a Tuesday, at least 76 days, but not more than 90

days, following the adoption of the resolution calling the special election, except that any such special primary election may be conducted within 180 days following the adoption of such resolution in order that the special primary election or special general election may be consolidated with the next regularly scheduled Statewide election.

Candidates at the special primary election shall be nominated in the manner set forth in the Elections Code for the nomination of candidates for a nonpartisan office for a direct primary election, except that nomination papers shall not be circulated prior to the adoption of the resolution calling the special election and shall be filed with the Registrar of Voters for examination no later than 14 days after the adoption of the resolution calling the special primary election.

If only one candidate qualifies for the special primary election, that candidate shall be appointed to the vacancy by the remaining members of the Board for the unexpired term, shall serve exactly as if elected to such vacancy, and no special primary election or special general election to fill the vacancy shall be held. A candidate who receives a majority of all votes in the special primary election is elected to fill the vacancy for the unexpired term, and no special general election shall be held. In the event there are no more than two candidates for a vacancy, the office shall be voted upon at the special primary election, and no special general election shall be held.

When no candidate receives a majority of all votes in the special primary election, a special general election shall be held on the twelfth Tuesday after the date of the special primary election. The two candidates who received the highest number of votes in the special primary election shall be the candidates in the special general election, and the one who receives the higher number of votes in the special general election is elected to fill the vacancy for the unexpired term. Write-in candidates are permitted to participate in the special primary election in accordance with the rules established by the County. However, no write-in candidates are permitted to participate in the special general election except as provided in Section 401.3.

In a special election to fill a vacancy in the office of supervisor, the Board may authorize either the special primary election or the special general election, or both, to be conducted wholly by mail, provided that the special primary election or the special general election to be conducted by mail does not occur on the same date as the Statewide election with which it has been consolidated. In no event may a special primary election or a special general election be conducted on the day after a State holiday.

Section 401.5: Existing Term Limits.

- (a) No person may serve for more than two terms as Supervisor, regardless of district represented, after the effective date of this section.

- (f) **Exclusion of Contracts with Governmental Entities.** This section shall not apply to contracts between the County of San Diego and other government entities.
