Hi Supervisors,

Re-GENERAL SERVICES - APPROVAL IN PRINCIPLE TO LEASE  
SPACE

FOR RELOCATION OF THE SANTEE BRANCH LIBRARY

The Santee library should be larger. The Bonita library where I live serves a community of about 15K people. Santee is about 4 times that size. The Bonita library is 8K sqft., so the Santee library should be about 32K sqft.

Also, cramming 49 people into a class is also a big indicator that more space is needed, at least double, probably triple. So between 20K and 30K sqft. Would be good.

Santee needs a much bigger library, not in principle, but in fact.

Regards,

Paul Henkin
