I am emailing to voice my opposition to Agenda Item 29 which protects criminals instead of protecting law-abiding citizens of San Diego County.

Might I add as well, my Daughter was hit at an intersection several years ago, by an illegal immigrant. They did not stop to see if she was ok, but continued driving at a high speed away from the accident. Also, their vehicle was not registered, as a witness had written down their license information. There was no way to catch this criminal. When the highway patrol arrived, they said I was lucky she wasn't killed as they see this type of accident often.

I don't want to EVER become an angel mother. Please take this time to make sure we are all safe, especially our children.

Thank you,
Shannon Itzaina

Personally, I cannot understand why any public official would be in favor of such an initiative which can only hurt those you are sworn to protect.
