Updates to 12 fees, removal of 1 rate, and the addition of 14 new rates to cover standby services for fire apparatus and personnel for special events in the community. Some of these are absurd. Before anything is agreed on and because of a budget deficit, spending cuts in the fire department and other areas must be done. A great spending cut is to public defenders for convicted criminal illegal foreigners facing deportation. Shrinking of the county government plus a hire freeze is absolutely necessary. No increases in any department at this time.

Raising fees between 18 and 230% when the inflation rate is about 2.5% is grossly inflationary. You call this a phased approach? I call it a way to keep poor people from building in the unincorporated areas.

Ambulance transfer fees (section 369) at \$3,743 plus \$48/mile for Del Mar, Solana Beach, Rancho Santa Fe, Encinitas, and Elfin Forest sounds like a soak-the-rich scheme.

We lack adequate justification for these unequitable expenses.
