D.	Affirmatively Furthering Fair Housing (AFFH).
-----------	--

D.1

Affirmatively Furthering Fair Housing. (Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Fair Housing Goal: Provide Equal Opportunities for Existing and Future Residents

Describe fair housing strategies and actions to achieve the goal.

The Housing Authority of the County of San Diego (HACSD) has a primary goal of providing equal housing opportunities for their existing and future residents. HACSD's strategy to accomplish this goal is to continue to collaborate with all the Public Housing Authorities and entitlement jurisdictions within the County of San Diego to produce an Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). HACSD collaborated with all the Public Housing Authorities and entitlement jurisdictions within the County of San Diego to produce an Analysis of Impediments (AI) to Fair Housing Choice for FY 2020/2021 to FY 2024/2025. HACSD will take actions to overcome the impediments identified in the AI and will keep records of those actions.

Fair Housing Goal: Address Limited English Proficiency

Describe fair housing strategies and actions to achieve the goal.

HACSD has updated the Limited English Proficiency (LEP) plan to address the pattern of linguistic isolation. HACSD will translate core documents in languages that reflect the demographic changes identified in the LEP. HACSD is translating all public notices in Spanish, Arabic, Vietnamese, Tagalog, Farsi, Dari, Korean, Somali, and Chinese and posting those notices on HACSD's website and publishing those notices in publications that are accessible to the residents considered linguistically isolated. The goal is to provide equal access to information for all residents.

Fair Housing Goal: Increase Housing Choices for Special Needs Groups

Describe fair housing strategies and actions to achieve the goal.

HACSD will increase housing options for special needs populations, including persons with disabilities, senior households, veterans, and those experiencing homelessness. To address the impediment of limited housing for special needs groups, HACSD's goal is to expand the affordable housing inventory as funding allows. HACSD is offering Project-Based Vouchers via Notice of Funding Availability (NOFA) opportunities.

Applicants are required to submit proposals that prioritize housing residents who have special needs. Universal design principles are required in new construction and acquisition/rehabilitation developments.

Fair Housing Goal: Increase Outreach and Education of Fair Housing in the Community

Describe fair housing strategies and actions to achieve the goal.

HACSD is committed to the goal of increasing Outreach and Education of Fair Housing to the community at large. HACSD has a fair housing service provider to assist with outreach efforts. The fair housing service provider conducts trainings to the community, staff, property management staff, and other stakeholders to provide education of fair housing laws, regulations, and policies. HACSD is a member of the San Diego Regional Alliance for Fair Housing (SDRAFFH). The San Diego Regional Alliance for Fair Housing is a dedicated group of professionals working together to ensure that all residents in San Diego County have equal access to housing. It is comprised of members of the fair housing community, government entities, enforcement agencies and housing providers. This group conducts education and outreach activities such as multi-media campaigns, including advertising campaigns promoting fair housing, sponsoring an annual Fair Housing month conference, community workshops and events. HACSD also provides Fair Housing information to the community at all locations controlled and owned by the PHA and its website. Additionally, HACSD provides the community access to fair housing materials at all outreach events.

D. Affirmatively Furthering Fair Housing.

(Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D.; nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year PHA Plan. The 5-Year PHA Plan provides the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families and the progress made in meeting the goals and objectives described in the previous 5-Year Plan.

Public reporting burden for this information collection is estimated to average 1.64 hours per year per response or 8.2 hours per response every five years, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. B.3. PROGRESS IN MEETING MISSION AND GOALS

Mission: Promoting safe, affordable housing opportunities and improved communities in the San Diego region.

Goal: Maintain and Expand Affordable Opportunities for those in Need

The Housing Authority of the County of San Diego continued to assist the most vulnerable populations and applied for additional vouchers as follows:

Housing Choice Voucher (HCV)

The Housing Choice Voucher (HCV) program provides rental assistance to eligible families. The rules and regulations of the HCV program are determined by HUD. HACSD is afforded choices in the operation of the program which are included in HACSD's administrative plan. HACSD currently has 10,746 total active vouchers as of October 2024.

Veterans Affairs Supportive Housing (VASH) is a collaborative program designed to provide rental assistance and ongoing Veteran Affairs case management and supportive services to homeless veterans. HACSD has applied for additional vouchers and have been allocated a total of 954 vouchers for the period of FY 2020 - 24.

Mainstream vouchers assist non-elderly persons with disabilities. HACAD originally received 50 vouchers. In FY 2019-20 HACSD received an additional 138 vouchers. In May 2020, HACSD received an additional 42 vouchers for a total allocation of 230 vouchers.

Family Unification Program (FUP) in partnership with Child and Family Well-Being assists families reunifying with children and eligible foster youth. In FY 2019-20 HACSD was awarded 37 vouchers. In FY 2023-24 HACSD was awarded an additional 49 vouchers for a total allocation of 86 vouchers. HACSD will continue to apply for additional vouchers when available.

HACSD was awarded 264 Emergency Housing Vouchers (EHVs) to be utilized beginning FY 2021-22. EHV's are referred through the Continuum of Care agency and assists individuals and families who are experiencing homelessness, at risk of homelessness, recently homeless or fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking. As of October 07, 2024, there are 216 participants leased up, 4 are in transfer status and 10 are searching for a unit.

In September 2023 HACSD was awarded 57 incremental HCVs. HACSD partnered with San Diego County's Public Safety Group to allocate 20 of the incremental vouchers to be utilized for persons that are justice involved and fleeing domestic violence or sex trafficking within the San Diego region. The remainder of the incremental vouchers were

allocated to the Office of Homeless Solutions to help seniors exiting an institution or at risk of homelessness.

Tenant Based Rental Assistance Program (TBRA)

Tenant-based rental assistance (TBRA) is a rental subsidy that can be used to assist individual households with rent and security deposits.

HACSD administered several TBRA programs for low-income and special needs individuals including:

- The HOME funded Emancipated Foster Youth Program which assists participants with tenant-based rental assistance to young adults that transitioned or are transitioning from foster care.
- The HOME funded Dependency Court's Substance Abuse Treatment (SAT) Program is a tenant-based rental assistance program which provides rental, security deposit and utility assistance and non-mandatory case management services and treatment supervision to families participating in the County's Substance Abuse Treatment program.
- The HOME funded Local Rental Subsidy Program (LRSP) is a term limited program that provides up to two years of rental assistance to a limited number of persons transitioning out of County emergency shelter programs, including the Hotel/Motel Voucher program. HACSD transitioned several of these families to Housing Choice Voucher Section 8 program.
- The Housing Opportunities for Persons with AIDS (HOPWA) funded TBRA program is designed to provide housing assistance and related supportive services for low-income persons living with HIV/AIDS and their families.
- State funded Bringing Families Homes Program is a rapid rehousing program that provides move-in, rental assistance and housing related case management and services.

The TBRA programs assisted a total of 694 households during FY 2020-2024.

Landlord Incentive Program

Landlords play an integral role and are partners with HACSD in successfully operating and expanding various rental assistance programs. In an effort to strengthen the partnership with our landlords, HACSD conducted 32 landlord seminars between FY 2020-2024 and hosted approximately 887 landlords.

The goal of the landlord seminars/webinars is to emphasize the benefits of participating in the HCV Program and inform landlords about services HACSD provides, landlord incentives for special programs, payments standards by zip code, and communicate any changes and updates.

During FY 2020-24, security deposit assistance was provided for 1,149 extremely low-income households.

Additionally, landlords that rented to eligible participants were able to receive landlord incentives in the forms of leasing bonuses, application fees, and holding deposits.

Goal: Promote Self-Sufficiency for Families

Family Self-Sufficiency Program:

HACSD operates a Family Self-Sufficiency (FSS) program for Section 8 Housing Choice Voucher Program participants. This 5-year program was established in 1998 and works with participants to develop employment-related goals that will lead them on a path towards self-sufficiency. FSS Coordinator funds are awarded annually on a competitive basis. Funds pay for FSS Coordinator salaries and benefits, but do not fund services for FSS participants. Program services are coordinated with and provided by community partners.

In FY 2023-2024, the HACSD received funding for two years for two full-time FSS Program Coordinator positions.

The FSS program staff maintain an informational webpage and send out emails to inform participants about available resources and opportunities that will help them achieve their goals of self-sufficiency. Resource referrals include (but are not limited to) first time homebuyer courses, credit repair seminars, job fairs, job preparation workshops, childcare services, and financial literacy classes.

In September of 2020, HACSD had 71 families participating in the FSS program. As of June 2024, the HACSD had 90 participating in the program.

In FY 2020-24 there was a savings of \$470,013.36 for 22 families who successfully met their self-sufficiency goals and had an associated increased earned income. All program participants were referred to employment and higher education resources.

In 2008 the HACSD instituted an FSS Academic Scholarship Program. The purpose of the program is to offer an incentive for program participants to pursue educational opportunities that are offered at accredited institutions of higher learning or vocational schools. In FY 2023-24, the HACSD awarded five scholarships to FSS participants or their household members.

In FY 2023-24, the HACSD was selected to receive a Fiscal Year (FY) 2021 Resident Opportunity and Self Sufficiency (ROSS) Grant Award. The Resident Opportunity and Self Sufficiency (ROSS) Grant Program is a program for public housing residents with supportive services, resident empowerment activities, and assistance in becoming economically self-sufficient. The ROSS program commenced on June 1, 2022, and serves residents in the 121 public housing units over a three-year period. In FY 2023-24, the HACSD coordinated eleven (11) outreach events, seminars, and workshops for Public Housing residents to provide health, wellness, and safety resources and trainings.

Resources:

In addition to the FSS program, the HACSD provides resources and services to applicants, participants, and landlords. The HACSD has a Section 8 Landlord Handbook and Section 8 Family Handbook. The handbooks have information on the Violence Against Women Act (VAWA) as well as program policies, procedures, and regulations. The Family Handbooks are issued to new program admissions at briefings and when a participant moves from one unit to another. The Landlord Handbook is provided to landlords at outreach events. The two handbooks are also available on the HACSD's website at www.sdhcd.org.

HACSD maintains a listing of rental housing in areas of greater opportunity for selection by Section 8 Housing Choice Voucher Program participants. This list is available on the Affordablehousing.com website and is updated on a regular basis. HACSD maintains and periodically updates the County's Rental Assistance and Affordable Housing Directory as well as a listing of Emergency Shelter contacts.

In addition, the HACSD has a dedicated Landlord Liaison that provides ongoing program information to rental property owners and managers and offers periodic Landlord Meetings.

Participants receive program information in several ways including through emails, letters, on the HACSD's website, and at Tenant and Resident Advisory Board Meetings. Clients may also receive referrals for other resources through 2-1-1 San Diego.

Fair Housing Services:

Fair Housing services to educate and promote equal opportunity are also available to residents through a contract administered by Housing and Community Development Services (HCDS). The services include: 1) fair housing education; 2) maintenance of a fair housing website; 3) dissemination of news articles/releases; 4) outreach through brochures and participation in regional fair housing activities/events; 5) fair housing testing; and, 6) maintenance of a fair housing complaint/referral hotline. One hundred fifty-six fair housing tests were conducted in FY 2020-24.

Residential Rehabilitation:

HACSD provides rehabilitation services to low-income homeowners. Eligible properties include single-family homes and mobile homes.

During FY 2020-24, 170 units were rehabilitated under this program.

Goal: Maintain Excellent Customer Satisfaction

To achieve a positive customer experience, the HACSD commits to using a positive approach and communicates successes and challenges with staff in order to continue on the journey of delivering a positive experience. In August 2021, the HACSD launched an Ombudsperson program to assist the public with questions and concerns regarding rental

assistance. The Ombudsperson team provided and continues to provide trauma-informed and knowledgeable responses to the public while going above and beyond in connecting them to other resources or answering their program questions in an easily understandable way.

In addition, customer service training for staff was conducted, translations of documents and meetings in multiple languages were completed, multiple public housing meetings with residents were held, in-person meetings resumed, and a new way of receiving customer feedback was implemented. Continuous improvement in providing customer service remains an important part of maintaining communication with the public.

Goal: Build Resilient Infrastructure to Promote and Foster Innovation

Enhanced Case Management System:

HACSD completed documenting business requirements for desired capabilities of a case management system. A new vendor has been selected and the County has finalized the contract. HACSD has embarked on the migration process in 2024 which includes data conversion, training of staff, and communicating new enhancements to landlords, participants, and applicants. Target implementation date of new system will be in end of FY 2024-25. The new case management system will have more self-service capabilities and reduce paperwork sent to and received from customers.

Public Housing:

HACSD continues to inspect, update, and improve the physical condition of its Public Housing sites. Units are updated on turnover with new energy and water-efficient appliances and fixtures. Properties are regularly inspected by maintenance, contracted inspectors, and the Real Estate Assessment Center (REAC) to ensure that all physical standards are met. In 2024, a rehabilitation project was completed at the Town Centre Manor development to improve multiple building systems. The project addressed electrical and plumbing updates, ADA accessibility improvements, elevator modernization, fire safety systems, and made other quality of life improvements. Parking lot repairs were also completed at the Dorothy Street Manor development.

VAWA Attachment

On January 5, 2006, President Bush signed the Violence Against Women Act (VAWA) into law as Public Law 109-162. VAWA was again reauthorized in 2013 By President Obama. In response to VAWA, the Housing Authority of the County of San Diego (HACSD) has taken the following steps:

- The Housing Authority of the County of San Diego (HACSD) has a special local preference for public housing residents referred by the public housing administrator who must move due to being a victim of domestic violence, dating violence, sexual assault or stalking.
- HACSD has the authority to bifurcate with respect to a public housing or Section 8 lease, so that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
- HACSD in partnership with the County of San Diego's Health and Human Service Agency provides funding to 211 San Diego, which is a referral service to help victims of domestic violence efficiently access appropriate services.

VAWA policies are incorporated throughout the Housing Choice Voucher Administrative Plan. Those policies are summarized below:

- HACSD shall administer the program in compliance with the Violence Against Women Act (VAWA) and Department of Justice Reauthorization Act of 2013 (Pub. L. 109-162).
- HACSD may deny assistance to applicants if any household member is currently engaged in, or has engaged in violent criminal activity or criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity during the past five years. However, no applicant who has been a victim of domestic violence, dating violence, or stalking will be denied assistance if they are otherwise qualified for the program.
- No participant who has been a victim of domestic violence, dating violence or stalking will have their assistance terminated if they are otherwise qualified for the program.
- Any incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim.
- HACSD will require certification by the victim of the victim status on such forms that HUD shall prescribe or approve.

PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

- The Violence against Women Act of 2013 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program “on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.”

VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

Notification

VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a notice of rights, VAWA Notice of Occupancy Rights (form HUD-5380), and a domestic violence certification the form (HUD-5382) at the time the applicant is denied.

The HACSD acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the PHA’s policies.

While the HACSD is not required to identify whether adverse factors that resulted in the applicant’s denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform the PHA that their status as a victim is directly related to the grounds for the denial. The PHA will request that the applicant provide enough information to the PHA to allow the PHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The HACSD will include in its notice of denial the VAWA information described in this plan as well as including a copy of the form HUD-5382. The PHA will request in writing that an applicant wishing to claim protection under VAWA notify the HACSD within 14 business days.

NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The HACSD adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

The HACSD will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

- A copy of the notice of occupancy rights under VAWA to Housing Choice Voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380).
- A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation
- A copy of the HACSD’s emergency transfer plan

- A copy of HUD’s Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383
- The National Domestic Violence Hot Line: 1-800- 799-SAFE (7233) or 1-800- 787-3224 (TTY)

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

- HACSD will provide all applicants with information about VAWA at the time they request an application for housing assistance, as part of the written briefing packet, and at the time the family is admitted to the program. The PHA will also include information about VAWA in all notices of denial of assistance.
- HACSD will provide all participants with information about VAWA at the time of admission and at annual reexamination. The PHA will also include information about VAWA in notices of termination of assistance.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

Whenever the PHA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the PHA may decide not to send mail regarding VAWA protections to the victim’s unit if the PHA believes the perpetrator may have access to the victim’s mail, unless requested by the victim.

When discussing VAWA with the victim, the PHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

Documentation

Victim Documentation [24 CFR 5.2007]:

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault or stalking, the PHA will request in writing that the applicant provide documentation supporting the claim.

Perpetrator Documentation:

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit.

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)].

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]: A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim. A federal, state, tribal, territorial, or local police report or court record, or an administrative record.

Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bonafide incidents of abuse. The victim must also sign the documentation. The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [VAWA final rule].

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the PHA will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by the PHA will be in writing. Once the victim provides documentation, the PHA will acknowledge receipt of the documentation within 10 business days.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) within 30 calendar days of the date of the request for third-party documentation. The PHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the PHA. Individuals have 30 calendar days to return third-party verification to the PHA. If the PHA does not receive third-party documentation, and the PHA proposes to deny or terminate assistance as a result, the PHA must hold separate hearings for the tenants [Notice PIH 2017-08].

HACSD will honor any court orders issued to protect the victim or to address the distribution of property.

If presented with conflicting certification documents from members of the same household, HACSD will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, HACSD will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If the HACSD does not receive third-party documentation within the required timeframe (and any extensions) HACSD will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, HACSD will hold separate hearings for the applicants or tenants.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

HACSD has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

If HACSD accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault or stalking, the PHA will document acceptance of the statement or evidence in the individual's file (paper or electronic).

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, HACSD must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as HACSD may allow, HACSD may deny relief for protection under VAWA.

CONFIDENTIALITY [24 CFR 5.2007(B)(4)]

All information provided to the PHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

Emergency Transfers

HACSD is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), HACSD allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of the PHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer

may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the Public Housing and Housing Choice Voucher (HCV) programs are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify HACSD's management office and submit a written request for a transfer to HACSD. HACSD will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

HACSD will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HACSD written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the PHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

HACSD cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If a participant in the tenant-based HCV program requests an emergency transfer as described in this plan, the PHA will assist the participant with moving to a safe unit quickly using the existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required. Upon request, the PHA will offer referrals to other organizations which may be able to provide assistance.

Project-based assistance: Participants in the project-based voucher (PBV) program may request an emergency transfer under the following programs for which they are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

Participants may also request an emergency transfer under the following programs for which they are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA
- HOME TBRA program

Emergency transfers will not take priority over waiting list admissions for these programs. Upon request, HACSD will provide referrals to organizations which may be able to provide additional assistance.

RELATIONSHIP WITH OTHER APPLICABLE LAWS

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State, or local laws that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

This policy may be amended from time to time by HACSD as approved by the HACSD Board of Commissioners.

STRATEGY FOR ADDRESSING HOUSING NEEDS

Strategy for Addressing Housing Needs

The Housing Authority of the County of San Diego's (HACSD) strategy to address the housing needs of families in its jurisdiction ensures that all families currently being assisted are eligible for assistance and are receiving the correct amount of assistance.

HACSD is committed to maintaining the highest voucher utilization rate feasible while managing its programs within available funding levels which includes Public Housing, Section 8 Housing Choice Voucher (HCV) Rental Assistance and Project Based Vouchers. Through appropriate eligibility verification, fraud and program abuse investigations, HACSD ensures that only eligible families receive assistance.

HACSD's strategy ensures that only eligible families receive assistance, thereby reducing the wait time for families on the waiting list. HACSD will continue assistance for program participants and add eligible families from the waiting lists to the extent feasible by maintaining financial solvency and managing all programs within HACSD's funding levels.

The demand for housing assistance often exceeds the limited resources available, long waiting periods are common for both the HCV and Public Housing programs.

As of August 2024, the HCV program had a waiting list of 103,763 applicants, of which 62.4 percent are White, 22.1 percent are African American, 6.9 percent are Asian, 3.5 percent are American Indian, and 2.8 percent are Pacific Islander. 38.6 percent of applicants reported Hispanic ethnicity. About 20.8 percent of those on the waiting list are disabled and 10.6 percent are elderly. In general participants that were selected from the Section 8 waiting list wait an average of 16 years before being selected.

The Public Housing program, as of October 2024, had a total of 53,301 applicants on the waiting list, of which 60.4 percent are White, 24.8 percent African American, 5.8 percent Asian, 3.5 percent American Indian, and 2.8 percent Pacific Islander. 43.6 percent of applicants reported Hispanic ethnicity. Approximately 9.3 percent of public housing applicants are elderly, and 22.1 percent are disabled. The waiting period for public housing applicants often varies because of the low turnover rate and is about eight to eleven years, depending on household member size.

The HACSD implements the following strategies for addressing the housing needs of the community:

- Maximize the number of affordable units through allocations of project-based voucher developments;
- Make available to Section 8 tenants the location of units outside of areas of poverty or minority concentration;

- Continue to distribute fair housing brochures to the public in the Administrative offices lobby, as well as to public housing residents and Section 8 participants;
- Provide reasonable accommodations in all housing programs; can be requested at anytime;
- Conduct activities to affirmatively further fair housing;
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies;
- Maintain or increase Section 8 lease-up rates by effectively screening HCV applicants to increase owner acceptance of program;
- Offer a Landlord Incentive Program to increase access to housing for clients experiencing homelessness and housing instability;
- Coordinate efforts with public and private non-profit partners within our jurisdiction to decrease homelessness in San Diego County;
- Reduce turnover time for vacated public housing units;
- Undertake measures to ensure access to affordable housing among families assisted by the HACSD.

Additionally, HACSD actively coordinates with other County agencies to provide housing eligibility and availability information to their very low-income clients.

Deconcentration Policy

HACSD's deconcentration policy is aimed at helping families find units outside areas of poverty or minority concentration. HACSD implements small area fair market rents and provides maps and description of areas representing low poverty areas within the jurisdiction and surrounding areas for the purpose of informing families of housing opportunities for families. HACSD also does outreach to landlords and provides information on the availability of lists of landlords or other parties willing to assist families to obtain housing in areas outside of minority and high poverty concentration.

B.2 NEW ACTIVITIES

PBV

In FY 2023-2024 the Housing Authority of the County of San Diego (HACSD) released a Notice of Funding Availability (NOFA), making Project-Based Vouchers (PBVs) available for affordable housing developments. Three developments received conditional awards totaling 145 PBVs. The developments will be constructed over the next several years. In addition, three other NOFAs were released in 2024 making available a total of 175 HUD-VASH PBVs and 100 PBVs for award. Increasing the number of PBV developments is consistent with HACSD plan to expand the availability of affordable units for those in need.

In partnership with the National City Housing Authority and Carlsbad Housing Authority, HACSD conditionally awarded 30 HUD-VASH PBVs between two developments in Carlsbad and National City. These housing authorities do not administer the HUD-VASH program. Securing PBV units in these developments supports HACSD's efforts to assist Veterans experiencing homelessness and fully utilize all available HUD-VASH vouchers.

In total, HACSD has allocated 714 PBV units over twenty-two (22) different developments in various locations throughout the region. In late August 2024, HACSD opened three new waitlists for affordable housing sites supported by PBVs. Over 5,000 applications were received in the first few days of the new waitlist openings and over 10,000 applications have been received to date. HACSD currently has 262 PBV units at 9 developments throughout the County in operation. After the two new developments complete initial lease up in FY 2024-2025, the number in operation will be 339 units at 11 developments. There are 369 PBV units at 10 developments estimated to come online in the next 2-3 years. The next anticipated waitlist opening will be in Spring 2025 for La Sabila located in Vista, CA with 42 PBV units for seniors 55+ experiencing homelessness (21 units will be for those experiencing a serious mental illness).

FUNDING OPPORTUNITIES

HACSD will also pursue additional vouchers or funding opportunities for which it may be eligible for and will create new or expand on current partnerships as required or to provide additional opportunities for program participants or residents.

PUBLIC HOUSING CONVERSION PLAN

HACSD intends to apply to HUD to financially reposition the 121 public housing units, located at four sites throughout the City of Chula Vista (AMP CA108000001). Through the RAD/Section 18 Small PHA Blend (Small PHA Blend) process HACSD will convert public housing to project-based voucher assistance. If the Small PHA Blend is approved, all existing eligible public housing residents would receive Project-Based Vouchers (PBVs) to replace the rent subsidy provided through the public housing program.

It is HACSD's intent to maintain the 121 units as affordable to low and very low-income households. All residents would have the right to remain in their existing unit paying an affordable rent. Currently, it is anticipated that all existing residents would qualify for a PBV. Through the Small PHA Blend process, up to 80% of the units, or other amount identified by HUD, in the Converting Project may be converted to tenant protection vouchers (TPVs) awarded through a Section 18 disposition approval. The TPVs will be used to attach PBVs to the Section 18 units through a non-competitive process as outlined in PIH Notice 2017-21. The other units would convert to PBVs through a Rental Assistance Demonstration (RAD) process. It is anticipated that all of the public housing units would thereby be replaced by PBV assistance.

- Residents with a PBV will be eligible to request a tenant-based Section 8 Housing Choice Voucher (HCV) and request to move with their voucher one year after the conversion is complete contingent on funding. Units vacated by a household will be filled through a PBV waiting list, identified in the HCV Administrative Plan.

Although no involuntary relocation is anticipated, HACSD will provide relocation assistance as necessary.

The ownership of the 121 units will be transferred to a separate legal entity which will serve as owner. HACSD will likely serve as the sole member of the legal entity in order to retain an ownership interest in the properties. A HUD approved independent entity will also be secured to perform required administrative tasks, such as rent reasonableness determinations and inspections. Upon completion of the conversion, the HACSD will close out the Public Housing Program.

Following the completion of the Small PHA Blend and transfer of properties, the separate legal entity will retain ownership while exploring potential disposition options for the four sites. Disposition activities may be completed via a sale or ground lease to an affordable housing developer. The properties will remain affordable under a long-term housing agreement.

PUBLIC HOUSING IMPROVEMENTS

HACSD has started the planning process for additional improvements to take place at the Chula Vista sites. Improvements will include, but will not be limited to, ADA enhancements, electrical upgrades, and walkway renovations.

CASE MANAGEMENT

In addition, the HACSD will be converting to a new case management system in FY 2025-26. The new case management system will provide more self-service options for applicants, participants, and landlords, thereby streamlining communication and processes, while reducing the amount of paperwork being sent through the mail. The system will come with a learning module that will assist HACSD onboard new housing specialists and to increase development opportunities for staff. The system will also allow HACSD to track workflows for critical business processes.

B.3 PROGRESS IN MEETING MISSION AND GOALS

Mission: Promoting safe, affordable housing opportunities and improved communities in the San Diego region.

Goal: Maintain and Expand Affordable Opportunities for those in Need

The Housing Authority of the County of San Diego continued to assist the most vulnerable populations as follows:

Housing Choice Voucher (HCV)

The Housing Choice Voucher (HCV) program provides rental assistance to eligible families. The rules and regulations of the HCV program are determined by HUD. HACSD is afforded choices in the operation of the program which are included in HACSD's administrative plan. HACSD currently has 10,746 total active vouchers as of October 2024.

Veterans Affairs Supportive Housing (VASH) is a collaborative program designed to provide rental assistance and ongoing Veteran Affairs case management and supportive services to homeless veterans. HACSD has applied for additional vouchers and have been allocated a total of 954 vouchers for the period of FY 2023 - 24.

Mainstream vouchers assist non-elderly persons with disabilities. In May 2020, HACSD received an additional 42 vouchers for a total allocation of 230 vouchers.

Family Unification Program (FUP) in partnership with Child and Family Well-Being assists families reunifying with children and eligible foster youth. In FY 2023-24 HACSD was awarded an additional 49 vouchers for a total allocation of 86 vouchers. HACSD will continue to apply for additional vouchers when available.

HACSD was awarded 264 Emergency Housing Vouchers (EHVs) to be utilized beginning FY 2021-22. EHVs are referred through the Continuum of Care agency and assists individuals and families who are experiencing homelessness, at risk of homelessness, recently homeless or fleeing or attempting to flee domestic violence. As of October 07, 2024, there are 216 participants leased up.

In September 2023 HACSD was awarded 57 incremental HCVs. HACSD partnered with San Diego County's Public Safety Group to allocate 20 of the incremental vouchers to be utilized for persons that are justice involved and fleeing domestic violence or sex trafficking within the San Diego region. The remainder of the incremental vouchers were allocated to the Office of Homeless Solutions to help seniors exiting an institution or at risk of homelessness.

Tenant Based Rental Assistance Program (TBRA)

Tenant-based rental assistance (TBRA) is a rental subsidy that can be used to assist individual households with rent and security deposits.

HACSD administered several TBRA programs for low-income and special needs individuals including:

- The HOME funded Emancipated Foster Youth Program which assists participants with tenant-based rental assistance to young adults that transitioned or are transitioning from foster care.
- The HOME funded Dependency Court's Substance Abuse Treatment (SAT) Program is a tenant-based rental assistance program which provides rental, security deposit and utility assistance and non-mandatory case management services and treatment supervision to families participating in the County's Substance Abuse Treatment program.
- The HOME funded Local Rental Subsidy Program (LRSP) is a term limited program that provides up to two years of rental assistance to a limited number of persons transitioning out of County emergency shelter programs, including the Hotel/Motel Voucher program. HACSD transitioned several of these families to Housing Choice Voucher Section 8 program.
- The Housing Opportunities for Persons with AIDS (HOPWA) funded TBRA program is designed to provide housing assistance and related supportive services for low-income persons living with HIV/AIDS and their families.
- State funded Bringing Families Homes Program is a rapid rehousing program that provides move-in, rental assistance and housing related case management and services.

The TBRA programs assisted a total of 430 households during FY 2023-2024.

Goal: Promote Self-Sufficiency for Families

Family Self-Sufficiency Program:

HACSD operates a Family Self-Sufficiency (FSS) program for Section 8 Housing Choice Voucher Program participants. This 5-year program was established in 1998 and works with participants to develop employment-related goals that will lead them on a path towards self-sufficiency. FSS Coordinator funds are awarded annually on a competitive basis. Funds pay for FSS Coordinator salaries and benefits, but do not fund services for FSS participants. Program services are coordinated with and provided by community partners.

In FY 2023-2024, the HACSD received funding for two years for two full-time FSS Program Coordinator positions.

The FSS program staff maintain an informational webpage and send out emails to inform participants about available resources and opportunities that will help them achieve their goals of self-sufficiency. Resource referrals include (but are not limited to) first time

homebuyer courses, credit repair seminars, job fairs, job preparation workshops, childcare services, and financial literacy classes.

In September of 2020, HACSD had 71 families participating in the FSS program. As of June 2024, the HACSD had 90 participating in the program.

In FY 2020-24 there was a savings of \$470,013.36 for 22 families who successfully met their self-sufficiency goals and had an associated increased earned income. All program participants were referred to employment and higher education resources.

In 2008 the HACSD instituted an FSS Academic Scholarship Program. The purpose of the program is to offer an incentive for program participants to pursue educational opportunities that are offered at accredited institutions of higher learning or vocational schools. In FY 2023-24, the HACSD awarded five scholarships to FSS participants or their household members.

In FY 2023-24, the HACSD was selected to receive a Fiscal Year (FY) 2021 Resident Opportunity and Self Sufficiency (ROSS) Grant Award. The Resident Opportunity and Self Sufficiency (ROSS) Grant Program is a program for public housing residents with supportive services, resident empowerment activities, and assistance in becoming economically self-sufficient. The ROSS program commenced on June 1, 2022, and serves residents in the 121 public housing units over a three-year period. In FY 2023-24, the HACSD coordinated eleven (11) outreach events, seminars, and workshops for Public Housing residents to provide health, wellness, and safety resources and trainings.

Landlord Incentive Program

Landlords play an integral role and are partners with HACSD in successfully operating and expanding various rental assistance programs.

In an effort to strengthen the partnership with our landlords, HACSD conducted 5 landlord seminars between FY 2023-2024 and hosted approximately 273 landlords.

The goal of the landlord seminars/webinars is to emphasize the benefits of participating in the Housing Choice Voucher Program and inform landlords about services HACSD provides, landlord incentives for special programs, payments standards by zip code, and communicate any changes and updates. The landlords are engaged and encouraged to ask questions.

During FY 2023-24, security deposit assistance was provided for 250 extremely low-income households.

Additionally, landlords that rented to eligible participants were able to receive landlord incentives in the forms of leasing bonuses, application fees, and holding deposits.

Resources:

In addition to the FSS program, HACSD provides additional resources and services to applicants, participants, and landlords. Two of these resources are the HACSD Section 8 Landlord Handbook and Section 8 Family Handbook. The handbooks have information on the Violence Against Women Act as well as program policies, procedures, and regulations. The Family Handbooks are issued to new program applicants at briefings and when a participant moves from one unit to another. The Landlord Handbook is provided to landlords at outreach events. The two handbooks are also available on HACSD's website at www.sdhcd.org.

HACSD maintains a listing of rental housing in areas of greater opportunity for selection by Section 8 Housing Choice Voucher Program participants. This list is available on the Affordablehousing.com website and is updated on a regular basis. HACSD also maintains and periodically updates the County's Rental Assistance and Affordable Housing Directory as well as a listing of Emergency Shelter contacts.

In addition, HACSD has a dedicated Landlord Liaison and provides ongoing program information to rental property owners and managers and offers periodic Landlord Meetings.

Participants receive program information in a number of ways including through emails, letters, on HACSD's website, and at Tenant Commissioners and Resident Advisory Board Meetings. Clients may also receive referrals for other resources through 2-1-1 San Diego.

Fair Housing Services:

Fair Housing services administered by Housing and Community Development Services (HCDS) aims to educate and promote equal opportunity housing. The services include: fair housing education, maintenance of a fair housing website, dissemination of news articles/releases, outreach through brochures and participation in regional fair housing activities/events, fair housing testing; and, maintenance of a fair housing complaint/referral hotline. 40 fair housing tests were conducted in FY 2023-24.

Home Repair Program:

Housing and Community Development Services also provides rehabilitation services to low-income homeowners. Eligible properties include single-family homes and mobile homes. During FY 2023-24, 20 units were rehabilitated under this program.

Goal: Maintain Excellent Customer Satisfaction

To achieve a positive customer experience, HACSD commits to using a positive approach and communicates successes and challenges with staff to continue on the journey of delivering a positive experience. In August 2021, HACSD launched an Ombudsperson program to assist the public with questions and concerns regarding rental assistance. The Ombudsperson team provided and continues to provide trauma-informed and knowledgeable responses to the public while going above and beyond in connecting them to other resources or answering their program questions in an easily understandable way.

In addition, customer service training for staff was conducted, translations of documents and meetings in multiple language were completed, multiple public housing meetings with residents were held, in-person meetings resumed, and a new way of receiving customer feedback was implemented. Continuous improvement in providing customer service remains an important part of maintaining communication with the public. HCDS through a survey with its customers is maintaining a score of 4.1 out of 5 in providing a positive experience for its customers for the current Fiscal Year.

Goal: Build Resilient Infrastructure to Promote and Foster Innovation

Enhanced Case Management System:

HACSD finalized a five-year contract with the selected vendor (Yardi) in April 2024. HACSD, Yardi, and our County IT partner are actively working together to prepare for the transition during FY 24/25. This includes data conversion, training of staff, and communication of the changes to come to applicants, participants, and landlords. The final conversion is expected to take place first half of FY 25/26. In the meantime, the current case management system requires some necessary maintenance in preparation of new HUD regulations such as National Standards for the Physical Inspection of Real Estate (INSPIRE) and Housing Opportunity Through Modernization Act (HOTMA). This maintenance involved an upgrade of server to SQL Server 2019 and a new customer facing applicant portal called MyHousing.

Public Housing:

During Fiscal Year 2025-2026, HACSD intends to apply to HUD to financially reposition its public housing portfolio to HUD project-based vouchers, utilizing the RAD/Section 18 Small PHA Blend. HACSD has been receiving technical assistance and preparing for the conversion process during this past year.

HACSD continues to inspect, update, and improve the physical condition of its Public Housing sites. Units are updated on turnover with new energy and water-efficient appliances and fixtures. HACSD continues to ensure all sites continue to meet physical standards, including significant elevator improvements in 2022-23. In FY 2024-25 HACSD completed a rehabilitation project at Town Centre Manor. The project replaced major building systems with modern upgrades, installed new fire suppression system and improved site accessibility.

**Independent Auditor's Report on Internal Control
Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance
With Government Auditing Standards**

To the Board of Supervisors
County of San Diego, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County of San Diego, California (County), as of and for the fiscal year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated November 21, 2023. Our report includes an emphasis of matter paragraph regarding the County's adoption of Governmental Accounting Standards Board Statement No. 96, *Subscription-Based Information Technology Arrangements*. Our report includes a reference to other auditors who audited the financial statements of the First 5 Commission of San Diego, a discretely presented component unit, and the San Diego County Employees Retirement Association, a fiduciary component unit, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor’s Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

To the Board of Supervisors
County of San Diego, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the County of San Diego, California’s (County) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the County’s major federal programs for the fiscal year ended June 30, 2023. The County’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the fiscal year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County’s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County as of and for the fiscal year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated November 21, 2023, which contained unmodified opinions on those financial statements. Our report on the County's financial statements includes a reference to other auditors who audited the financial statements of the First 5 Commission of San Diego, a discretely presented component unit, and the San Diego County Employees Retirement Association, a fiduciary component unit. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

COUNTY OF SAN DIEGO, CALIFORNIA
Notes to Schedule of Expenditures of Federal Awards
For the Fiscal Year Ended June 30, 2023

NOTE 1 – GENERAL

The accompanying Schedule of Expenditures of Federal Awards (SEFA) presents the activity of all federal award programs of the County of San Diego, California (County). Federal awards received directly from federal agencies, as well as federal awards passed through other nonfederal agencies, primarily the State of California, are included in the SEFA. The information in the SEFA is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The County's reporting entity is defined in Note 1 to the County's basic financial statements.

As a result of the COVID-19 pandemic, many new federal programs have been established and funding has been added to existing federal programs. Expenditures funded from the following acts are denoted in the SEFA by the prefix COVID-19 in the federal program name:

- Coronavirus Preparedness and Response Supplemental Appropriations Act
- Families First Coronavirus Response Act
- Coronavirus Aid, Relief, and Economic Security Act (CARES Act)
- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)
- American Rescue Plan Act (ARP)

NOTE 2 – BASIS OF ACCOUNTING

The accompanying SEFA is presented using the modified accrual basis of accounting except for programs recorded in the County's enterprise funds, which are presented using the accrual basis of accounting, which is described in Note 1 to the County's basic financial statements. There are certain U.S. Department of Health and Human Services programs that are reported on a cash basis in accordance with guidance provided by the California Health and Human Services Agency. Certain U.S. Department of Justice and U.S. Department of Homeland Security programs are reported on a cash basis in accordance with guidance provided by the California Governor's Office of Emergency Services. Finally, in accordance with policy guidance from the Federal Emergency Management Agency (FEMA) the County records expenditures related to the Disaster Grants – Public Assistance program (ALN 97.036) in the SEFA when (1) FEMA has approved the County's Project and (2) the County has incurred eligible expenditures. FEMA has defined a Project as "a logical grouping of work required as a result of the declared major disaster or emergency, with a scope of work and cost estimate." A Project was previously referred to as a Project Worksheet (PW).

NOTE 3 – RELATIONSHIP TO BASIC FINANCIAL STATEMENTS

Federal award expenditures agree or can be reconciled with the amounts reported in the County's basic financial statements.

NOTE 4 – ASSISTANCE LISTING NUMBERS (ALN)

The ALNs included in the accompanying SEFA were determined based on the federal program name, review of grant contract information, and the U.S. General Services Administration's [SAM.gov](https://www.sam.gov) website.

Multi-Purpose Senior Services Program (MSSP) ALN 93.778:

MSSP is a Medi-Cal program. Medi-Cal is administered through the California Department of Health Care Services (DHCS). The State of California Department of Aging administers the “MSSP Program” and the funds come from DHCS. Half of the funds are provided from the State General Fund and half are Federal funds. The funds are paid to the County by DHCS. However, the MSSP program started transitioning from a fee-for-services payment structure to Home and Community Based Services (HCBS) Waiver Managed Care under the Coordinated Care Initiative (CCI) effective October 1, 2014. Under the CCI payment model, the Health Plans will reimburse the County/MSSP Provider a capitated rate per member monthly for each plan member enrolled in MSSP.

Federal and State expenditure amounts reported in the table above were obtained from the closeout report.

NOTE 9 – MEDICAL ASSISTANCE PROGRAM (MEDICAID)

Direct Medi-Cal and Medicare expenditures are excluded from the SEFA. These expenditures represent fees for services and are not included in the SEFA or in determining major federal programs. The County assists the State in determining eligibility and provides Medi-Cal and Medicare services through County-owned facilities. Administrative costs related to Medi-Cal and Medicare are included in the SEFA under the Medicaid Cluster (ALN 93.778).

NOTE 10 – CORONAVIRUS RELIEF FUND (ALN 21.019)

During the fiscal year ended June 30, 2023, the County received County Fiscal Letter 22/23-31 from the California Department of Social Services concerning Coronavirus Relief Funds that replaced State general fund monies originally provided for COVID-19 related activities for the fiscal years ended June 30, 2020, and 2021. Consequently, federally funded expenditures in the amount of \$1,701,069 for ALN 21.019, which were not reported in the County's prior SEFAs for fiscal years 2020 and 2021, have been included in the current year SEFA. The underreporting of expenditures in the prior years' SEFAs would not have resulted in any additional major programs for each respective year in accordance with the Uniform Guidance.

NOTE 11 – COMMUNITY SERVICES BLOCK GRANTS

The California Department of Community Services and Development (CSD) requires agencies who receive CSD funding to include in the Single Audit Report certain revenue, expenditures, and budgetary information for each CSD award.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning _____, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. In accordance with 24 CFR § 5.105(a)(2), HUD’s Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
 11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
 12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
 14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
 15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
 16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
 17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
 18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
 19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
 20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
 21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
 22. The PHA certifies that it is in compliance with applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).
