The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 era. State Legislators Henry Mello and Mike Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53363 of the California Government Code. The Act authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) or (“District”) within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only and is governed by the agency that formed it.
