San Diego, CA 92101

Dear Members of the Board of Supervisors:

As you know, County Service Area No. 69 ("CSA 69") provides funding for enhanced life support (ALS) ambulance transport service within the City of Santee ("City") and Lakeside Fire Protection District (FPD) including the unincorporated communities of Pepper Drive and Bostonia. Funding and oversight for CSA 69 are provided by the County of San Diego ("County") Emergency Medical Services Office. Through a contract with the County, the City's Fire Department and Lakeside FPD receive funding from CSA 69 for enhanced ALS ambulance transport service.

After a County evaluation of the effectiveness and sustainability of the current management system and service delivery model, the report indicated that greater efficiencies and economies of scale would be achieved with the dissolution of CSA 69.

As the Chair of CSA 69, I would like to proffer that the CSA 69 committee supports dissolution of CSA 69.

Sincerely,

Laura Koval
Chair
CSA 69
