RE: Items 6, 7, 8, and 9 (August 31, 2021) and PHA Item 1 (Sept. 1, 2021) - SUPPORT

Dear Chairperson Fletcher and Members of the Board:

Endangered Habitats League (EHL) endorses this suite of related measures to build upon prior progress and to further address the shortage of very low, low, and moderate income housing. By averting homelessness in the first place, enormous amounts of public funds can be saved. We also support the emphasis on low-VMT locations. We urge continued strict focus on the very low, low, and moderate categories, as above-moderate income housing is not in any significant deficit.

Thank you for these proactive and important initiatives.

Yours truly,
Dan Silver
