Subject: [External] August 31 Board of Supervisors Meeting
Date: Monday, August 30, 2021 11:50:30 AM

Dear San Diego County Board of Supervisors,

My name is Lisa and I live in San Marcos. I am asking you that you please vote “No” to Nathan Fletcher’s #19 Framework For The Future: “Declaring Health Misinformation a Public Health Crisis”. Public Servant Nathan Fletcher’s comments on Instagram were very insulting to the people he works for. Telling his constituents that they didn’t do their “F” ing research sounds like bully. I did do my research. I spend several hours everyday researching, listening to doctors and nurses, reading the CDC, and Vaccine websites, etc.

1- I do not consent to any mandate or coercion to being vaccinated regardless of FDA approval of a vaccine currently still in trials.

2- I do not consent to government overreach and recommending businesses enforce vaccination or testing mandates on employees.

3- I do not consent to attempts at limiting my first amendment rights of free speech.

4- I do not consent to any form of vaccine passports.

Thank you for your time and consideration.

Sincerely, Lisa Scarcia

Importance: High

I strongly OPPOSE agenda item #19 and urge you to reconsider!!! Every American Citizen should be allowed to decide for themselves what information they deem viable and informative. Who decides what is misinformation?! This proposal is in violation of the First Amendment of the Consitution which prevents the government from making laws that regulate or abridge the freedom of speech, the freedom of of the press, the freedom of assembly, or the right to petition the government for redress of grievances. This is an over reach of your duties to the citizens of San Diego County who you seem to forget you work for!!! It is time for you to stop!!! This is still America no matter how hard you try to the contrary!!! We the people will not allow for this. My health and the health of my family is for myself and our family to decide. NOT politicians or any other agency. That is FREEDOM.

Shame on all of you for even considering and proposing this!!!

Grace
