EQUITY IMPACT STATEMENT

We recognize that the systemic impacts that inequitable policies may create for residents in San Diego County. The proposed allocation of funds is intended to improve the quality of life throughout the County by providing funds to a nonprofit whose work addresses inequities by providing services to all throughout the county. Organizations are chosen for funding based on their location or the demographics they serve with a focus on underserved communities that contain higher numbers of People of Color and LGBTQ+ people. Organizations chosen should work to promote a sense of belonging and utilize equity in their operations, outreach, and programs. Supporting documents were reviewed as well as impact reports and community testimony to verify the organization meets these goals.

FISCAL IMPACT

The fiscal impact of these recommendations is \$5,000 from the Neighborhood Reinvestment Program budget (Org 15665). Funds for these requests are included in the Fiscal Year 2020-21 Operational Plan for the Neighborhood Reinvestment Program (Org 15665). The funding source is General Purpose Revenue.
