To: FGG, Public Comment
Subject: [External] SD County Champion For Freedom To Reproductive Life

Follow Up Flag: Follow up
Flag Status: Flagged

Ñora Vargas

What is the purpose of having #3 on the agenda?

Please do not assume that all San s22. residents are in favor of "reproductive rights." (abortion). I am not, nor are my friends / acquaintances . Merely because many do not let their voice be heard does not mean they are in favor of abortion .

Respectfully,

Beverly Bohacek
