4. Authorize the Deputy Chief Administrative Officer/Chief Financial Officer to execute grant agreements or amendments to agreements with the organizations awarded grants establishing terms for receipt of the funds described above and to make minor amendments to the agreements that are consistent with the general purpose of the grants but do not increase the grants.

EQUITY IMPACT STATEMENT

We recognize the systemic impacts that inequitable policies may create for residents in San Diego County. These proposed allocations of funds are intended to improve the quality of life and economic conditions throughout the County by providing funds for nonprofits whose work addresses inequities, promotes quality of life and improves outcomes that align with the vision of our county. Organizations were chosen based on their location or the demographics they serve with a focus on organizations that focus on vulnerable community members, and economic development. The organizations that were chosen work to promote a sense of belonging and utilize equity in their operations, outreach and programs. Their supporting documents were reviewed as well as impact reports and community testimony.

FISCAL IMPACT

The fiscal impact of these recommendations is \$75,000 from the Community Enhancement Program budget (Org 12900). Funds for these requests are included in the Fiscal Year 2021-22 Operational Plan for the Community Enhancement Program (Org 12900). The funding source is Transient Occupancy Tax Revenues.
