

ORDINANCE NO. (NEW SERIES)

ORDINANCE AMENDING THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES TO ADJUST DEPARTMENT OF ENVIRONMENTAL HEALTH AND QUALITY REGULATORY PROGRAM FEES AND ASSOCIATED ORDINANCE REVISIONS

The Board of Supervisors of the County of San Diego ordains as follows:

Section 1. Purpose.

This ordinance adjusts fees payable to the Department of Environmental Health and Quality (DEHQ) during Fiscal Year 2026-27 (and continuing until amended) as directed by the Board of Supervisors on April 19, 2023 in order to continue to meet program objectives, provide a level of service expected by stakeholders and customers, and fully recover costs except in two cases: (1) where alternative funding has been used to offset increases to permit fees; and (2) where the Board of Supervisors (Board) has previously directed the waiver or discounting of fees. Where fees are set below DEHQ expected costs, supplemental non-fee revenues are expected to be available to make up those deficits. Annual adjustments to fees are planned, to implement the Department's commitment to the Board to make recovering costs a regular part of business, while providing stakeholders an opportunity to plan for fee adjustments.

Urinals may be substituted for toilets in toilet rooms for males but shall not exceed one-third (1/3) of the required number of toilets. Required number of toilets and hand washing sinks are dependent upon the number of employees in accordance with the Uniform Plumbing Code. Toilet rooms shall be separated from other portions of the wholesale food warehouse by well-fitting, properly labeled, self-closing doors.

A two-compartment sink may be used when alternative approved sanitation methods are used. Utensil-washing sinks shall be equipped with a supply of hot (minimum 100 degrees Fahrenheit) and cold running water under pressure through a mixing valve or combination faucet.
